Cell: 406.459.8132

## Notes from IBDEA Headquarters

**Welcome to Q4.** What a wild ride the last nine months have been. It seems as if our members are somewhat recovering from supply chain and labor issues, then ☐, along comes a CO2 shortage. One thing we know for sure is that IBDEA members are survivors. Over the past few months, we've heard many stories of members helping members navigate these challenges. So, we want to give a BIG SHOUT OUT to our membership!

**2023 Conference registration is now open.** Join us February 23-27 in New Orleans. We will continue to update the website as more information becomes available. Sponsorship info will be available later this week.

Registration is open for the **2023 IBDEAU** schools. Carbonation 101 and Draught Beverage Dispense have limited attendance to allow for ample hands-on training with industry leaders.

We will be attending **GAWDA's** annual convention later this week and are excited about working with their management team to build a stronger partnership between the two associations.

Connect \* Network \* Succeed
