Notes from IBDEA Headquarters

September, bring on the cooler temps! *We said cooler, not cold!! Just sayin'*

Registration for the **2023 Conference** will be available soon. We appreciate your excitement to attend, exhibit, and sponsor; however, we still have a few details to iron out. *Thank you for being patient.*

We are always searching for new ways to add **more value to your membership**. Andy's recent Virtual Open Forum sparked an idea, and we immediately started sending emails and making phone calls. Maybe it pans out, maybe it doesn't, but the sharing of ideas is what IBDEA is all about! If you have an idea for a member benefit, email info@ibdea.org.

The **IBDEA Board of Directors** will meet on September 15 for their fall board meeting. Thanks to the fantastic and productive IBDEA Committees, we have a lengthy agenda! Does anyone have an egg timer we can borrow? ☐
